Material specified by the American Institute of Physics for removal from the *Disciplined Minds* website

Text specified by the American Institute of Physics must be removed from the following two articles and three letters:

1. "Disciplined Minds: An Interview with Jeff Schmidt," by Sonya Bahar, *The Biological Physicist* (American Physical Society), volume 1, number 3, October 2001, pages 3-5.
2. "Thoughts from an undisciplined mind," by Sean Kelly, *Canadian Undergraduate Physics Journal* (ISSN 1499-9439), volume IV, issue 2, January 2006, page 19.
3. Letter to Schmidt from *Disciplined Minds* reader Michelle Squitieri, Field Representative, University of California - American Federation of Teachers Local 1474, Berkeley, California, 12 September 2004.
4. Letter to Schmidt from *Disciplined Minds* reader Susan M. Rosenthal, MD, Director, Trauma Therapy Training, Adler School of Graduate Studies, Toronto, Canada, 22 July 2005.
5. Letter to Schmidt from *Disciplined Minds* reader Matt L., 2001.

Schmidt shall remove the following material currently on the <http://disciplinedminds.com> web page, or any other web page arranged, conducted, or assisted by Schmidt, all associated hyperlinks, and the destinations of those hyperlinks, including but not limited to web pages, audio and video:

1. Press release titled, "Hundreds of physicists and other scholars demand reinstatement of physicist fired for writing book," along with appeal letter by physicists Talat Rahman, George F. Reiter, and Michael A. Lee, dated 14 January 2002. Also the hypertext: "Protests," "Press release"

2. Letter to American Institute of Physics from 500+ physicists asking AIP to reinstate Jeff Schmidt and listing the names and affiliations of the signers. Dated 23 August 2001 - 1 February 2006. Also the hypertext: "Protest letter from 577 physicists and others"

3. Letter to AIP from 174 non-scientists, solicited by Noam Chomsky, asking AIP to reinstate Schmidt and listing the names and affiliations of the signers. Dated 16 January 2001 - 1 February 2006. Also the hypertext: "Renowned linguist Noam Chomsky and 173 scholars and others protest firing"

4. Letter to AIP from 16 former *Physics Today* staff members asking AIP to reinstate Schmidt, dated 21 June 2000. Also the hypertext: "Sixteen former *Physics Today* staff members protest firing"

5. Report of the Human Rights Committee of the Plasma Science and Applications Committee of the Institute of Electrical and Electronics Engineers (IEEE) on its investigation into AIP's firing of Jeff Schmidt, signed by Wallace Manheimer of the Naval Research Laboratory, Washington, D.C., and Victor Granatstein of the University of Maryland, College Park, and including exhibits containing the testimony of former *Physics Today* staff members Jean Kumagai, William Sweet, and Paul Elliott, and a statement by AIP CEO Marc Brodsky. Also the hypertext: "Scientists' human rights committee issues public report"

6. Letter to AIP from a majority of the physics academic staff at the University of Ottawa, Canada, protesting Schmidt's firing and listing the names and positions of the 28 signers, dated 23 March 2002. Also the hypertext: "Majority of physics academic staff at University of Ottawa condemn firing"

7. Letter to AIP from a group of nine physics education researchers asking AIP to reinstate Schmidt and listing the names and affiliations of the signers, dated 20 August 2003. Also the hypertext: "Physics education researchers condemn firing"

8. Letter to AIP from University of Cambridge (England) physicist Sanjoy Mahajan transmitting a petition calling for Schmidt's reinstatement signed by 22 individuals attending the 2004 annual meeting of the American

Association of Physics Teachers, dated 29 October 2005.
Also the hypertext: "American Association of Physics
Teachers session attendees protest firing"

9. Eighty-six letters to AIP, written by the individuals
listed below, protesting the firing of Schmidt, dated 2000
to 2005. Also the text, "Physicists and others blast
Physics Today. Read 86 of their letters....," and the 86
lines of hypertext,
